Proceedings recorded by electronic sound recording, transcript
produced by certified transcription service.

1 Q And Medieval Spawn, Cogliostro and Angela are three of the
2 main -- three of the 15 main characters in the Spawn series,
3 correct?

4 A I think you could say that, right.

5 Q All have been made into toys, correct?

6 A Right.

7 Q And the first you heard of Angela was when Neil Gaiman
8 gave the idea of angels to you, correct?

9 A Well, we had discussions going on so I don't know where it
10 first came from but in our discussions, right.

11 Q There were no angels prior to Spawn 9, correct?

12 A That's right.

13 Q And angels have recurred off and on in Spawn since,
14 correct?

15 A That's right.

16 Q Angela and various other angels, correct?

17 A Right.

18 Q And Angela was the first one, right?

19 A Right.

20 Q And Angela was one of the most important villains in the
21 Spawn series, correct?

22 A Depends on how you define that, but they're actually both
23 on the side of good eventually so she's, I don't see her as a
24 villain. I see her as a, as a hero. But in that case she was
25 a villain in that issue, right.
